Harvest of Autumn fashion

In a totally natural look, our cover fashion forecasts the new look for this season's hand knits. Linked to Autumn's kaleidoscope of warm colors, we chose a spicy pumpkin shade for our panelled and banded, deep V-neck pullover. Dividend of texture is credited to the unique structure of Bear Brand's Nubby Fleece yarn. A novice can knit our Cover Pullover with rewarding results by following instructions on page 50.

Starting at waist at tension 3, cast on the 38 (39-40) needles. Knit 12 rows. Hang cast-on edge on each needle to form casing for elastic. Bring up remaining needles, so that there are 75 (78-81) needles in WP, and put 1 st on each. Put the sts behind the latches. Change to tension 5. Inc 1 st at each edge every 6th row 9 times—93 (96-99) sts, counter reads 66. Reset counter at 0 and knit 140 rows or to desired length (directions are for a finished length of 25″). Bind off.

French Poodle

shown on page 39

Materials: AMERICAN THREAD COMPANY "Dawn" Knitting Worsted, 1 (4-oz) skein, **or** "Aunt Lydia's" Heavy Rug Yarn, 3 skeins. Piece of cardboard 3¼" x 4¼", 2 wire coat hangers, 2 toilet tissue rollers, newspaper, black tape, glue, "Star" Mercerized Sewing Thread, large-eye needle, 2 buttons for eyes.

Pompon Ties: Wind yarn loosely over length of cardboard 36 times and cut at starting end; there are 36 ties, 8½" long.

Pompons: Wind yarn over length of cardboard 20 times; slip from cardboard, tie center tightly with a Pompon Tie, and cut yarn across both ends. Make 19 more large pompons in this manner. Make 16 small pompons in same way, but use narrow side of cardboard. Holding tie very firmly, comb each pompon until fluffy; comb with coarse teeth first, then with fine. Save all combings for nose padding and Pumpkins.

Frame: Bend coat hangers as shown in diagram (see page 89). Front legs are separate pieces of wire; use pliers to clamp these onto frame at shoulders, then cut to proper length and bend feet. Place one tissue roller on neck, and center the other on back. Stuff rollers with newspaper; keep neck frame in center of roller and fill around it; let body roller rest on frame and fill beneath frame. Cover nose and feet with black tape.

Tail: Bend a 15" length of wire in half. At a point 4" from center-bend, bend each half in opposite direction to form an "M." Separate ends, hook them around rear corners of frame, and clamp in place.

Nose: Leaving ¼" of tape showing, pad top of nose with walnut-size bit of combings. Securing ends, wrap yarn compactly around nose to cover combings. Wrap yarn around rollers, legs, and tail in same way, securing ends with glue or by tying very tightly.

Pumpkins: Using half of remaining combings for base of each, make 2 pumpkins by winding yarn around until ball is 2" wide and 1½" high. Place 1 pumpkin on top of neck frame, about 1½" behind nose-tip, and sew securely to upper edge of neck roller. Holding tail upright, sew 2nd pumpkin to tail end of body roller.

Assembly: Tie on small Pompons as shown (see page 00): 1 on top of tail, 7 to yarn around back of body (in front of back legs), and 2 to each foot. Tie on large Pompons as shown: 7 to yarn encircling neck at upper edge, 7 to yarn encircling neck at lower edge, 4 to nose and frame on top of head (do not cover nose), and 1 on each side of chest to top of front legs. Fluff and pat Poodle into shape. Sew on eyes. Add collar or other im as desired.

Desk Set

shown on page 38

Materials: Two small apothecary jars (for paper clips and rubber bands). One 4" glass (pencil holder). Plastic box about 4½" square (for stamps). "SCOTCH" Brand "Magic" Tape (moisture-resistant), ¾" wide. Felt-tipped marking pens, 1 black and 1 red.

Note: When outlining tape with marking pen, apply color to the tape itself and not to the glass or plastic surface.

Jars: Decorate all 4 sides of each jar with frosted tape squares by applying 2 vertical strips 1½" long to each side. Outline each tape square with black marking pen. With red pen, "paint" a simple keyhole shape on 1 square of each jar.

Pencil Holder: Apply 2 vertical strips of tape, each 2¾" long, to one side of glass. Outline tape panel with black marking pen. With red pen, "paint" an old-fashioned key shape in center of panel.

Stamp Box: Apply a strip of tape around sides of plastic box. Outline both edges of the tape with black marking pen, and "paint" black "X" design within outline as shown. Decorate box-top with 2 panels of frosted tape, each 1½" x 3". Outline panels with black marking pen. "Paint" a red key shape in center of each panel.

Lollipops and candy canes.

Body: With a sharp knife, cut each box in half lengthwise (each half makes one figure). **Note:** If box has been previously opened, tape lid in place before cutting.

Suit: For each figure cut an 8½" x 10" band of red plastic fabric and a 4" x 10" band of each of remaining colors. Keeping edges even, secure green band to one end of box with Magic tape; draw ends to inside of box and secure. Attach pink band (face) to opposite end of box in same way. Cut points along one long edge of white band and attach to center of box as shown. Apply a strip of red plastic tape for belt, and add a buckle of gold tape.
